

## PURCHASING A BIN

Compliant garbage bins are available at the following retailers (delivery available):

**BMR Uniag Coopérative**  
(701, route 219, Napierville)

**Matériaux Pont-Masson**  
(355, route 209, Sainte-Clotilde)

**Quincaillerie Sherrington**  
(304, rue Saint-Patrice,  
Saint-Patrice-de-Sherrington)

**Rona Quincaillerie A Pouliot**  
(44, rue Saint-André, Saint-Rémi)

**Rona Quincaillerie Hemmingford**  
(271, route 219, Hemmingford)

It is important to make sure that the bin has all of the following specifications:

- Wheels
- European grip
- 240 or 360 liters
- Green (preferred), black or grey
- Designed for automated collection

In 2023, the citizens of the MRC des Jardins-de-Napierville will benefit from the services and expertise of Compo-Haut-Richelieu.

As of **January 1, 2023**, wheeled bin with European grip will be mandatory on the territory of the MRC des Jardins-de-Napierville.

As of this date, non-compliant bin and garbage bags will not be collected.

## ADVANTAGES

- Improving worker safety.
- Standardizing the collection method
- Maintaining a clean environment by limiting access to the garbage for crows and small animals.

## TARGET RESIDENCES

Homeowners and tenants of buildings of five (5) units or less must have a wheeled bin for their garbage.

## MAJOR CHANGES IN 2023

- Implementation of organic waste collection with BRUN'O Lebac
- New collection frequency for garbage and recyclables (every 2 weeks in alternation)
- Access to Compo-Haut-Richelieu's three ecocentres
- Collection of large non-recyclable waste once a month

More information will be provided in fall 2022.

## COMPLIANT BIN

with European grip

## NON-COMPLIANT BIN

with American grip

### WHICH BIN TO CHOOSE?

✓ A 240 or 360 liter capacity European grip bin with wheels, preferably green.

✗ Blue bins are not permitted, but grey or black bins will be.

✗ It is prohibited to use a recycling bin as a garbage can.
